## **PROFESSIONAL SKILLS PROFILE**

- Collected and analyzed environmental samples.
- Conducted geographical land use assessments.
- Researched and developed Phase I environmental site assessment.
- Studied and applied national and state environmental laws.
- Performed statistical analysis of research data.
- Studied the sources, reactions, transport and fate of chemical species in the environment.
- Trained in the principles of ecological and aquatic biology.
- Digitized, edited and manipulated coverages in GIS.
- Gained proficiency in MS Word, Excel, Access and PowerPoint, PC Arc/Info and ArcView.

## **PROFESSIONAL INTERNSHIP AND FIELD EXPERIENCE**

### **Watershed Monitor, Duke Water Conservation District, Springdale, AR, Summer 2008**

Assisted in development of a comprehensive water quality and land use survey for the Roanoke River watershed. Developed landowner database for Roanoke River drainage basin, conducted geographical land use assessment of properties within the affected areas and contacted public landowners. Demonstrated an ability to work both independently and within the group to achieve project goals. Utilized best practices in survey administration. Familiar with water quality parameters, agricultural/urban conservation practices and district remediation projects.

### **Research Assistant, Garrison Nature Study Center, Elmer County, IN, Spring 2007**

Conducted both biological and chemical analyses of environmental samples obtained at the nature center. Studied biodiversity in plants, in both fields and wetlands.

## **EDUCATION**

### **Bachelor of Science (BS) Degree in Environmental Science, May 2014** Indiana University, Bloomington, IN

Earned 80% of educational expenses by working part time.

## **RELEVANT COURSEWORK**

Environmental Education, Environmental Science Research, Hydrology, Oceanography, Ecology and Evolution, Climatology, Mineralogy, Planetary Geology, Marine Microbiology, Natural Resources & Environmental Management, Zoology, Planning - Urban & Regional, Environmental Resource Economics

## **EMPLOYMENT EXPERIENCE**

**Assistant Night Manager, Kelly's Family Restaurant**, Bloomington, IN, 2010 to Present

Promoted from wait staff to Assistant Manager, coordinating operations and personnel throughout this high-volume operation to ensure consistently high-quality customer service and long-term customer retention. Trained new employees in effective communication, service and timely completion of tasks.
